Candidates for any of the higher classes must pass examination in all the studies of the lower classes, or their equivalents.

CONDITIONS OF ADMISSION.

All candidates must present to the President satisfactory evidence of good moral character; and if any candidate has been a member of another Institution, immediately preceding his application, he shall be expected to furnish a certificate of honorable dismissal.

As an act of *Matriculation*, after other specified conditions have been fulfilled, candidates must subscribe to the following

PLEDGE:

"I do hereby solemnly engage to comply with all the rules and regulations of the York Collegiate Institute, and to discharge faithfully all my known duties."

The name of the new student shall not be placed on the Roll until he have paid his Tuition Fee for the first quarter, and the same conditions shall apply to all students at the beginning of each year.

CHARGES AND DISCOUNTS.

The Tuition fee per quarter of ten weeks is $10, payable strictly in advance, for all the courses, including the Preparatory Year. Music (Piano) $10 per quarter.

A discount of 50 per cent is allowed to children of clergymen, and of 10 per cent. to families furnishing more than one student for a period not less than one quarter.

In case of protracted absence on account of sickness, or other just cause, students are charged one-half the regular amount for the time they are absent. New students are charged from the date of their entrance. Students are not expected to enter for a less time than one whole quarter.

SESSIONS, SERVICES, &c.

The Students attend at the College five days in each week. The morning session commences at 8 o'clock, and closes at 12 The afternoon session begins at 1½ and ends at 4.

Students may be detained after school hours for delinquency in study, or deportment.

The daily sessions of the Institute are opened with *Singing*, *Reading the Scriptures* and *Prayer*. They are also closed with Devotional exercises.

In addition to the above, the President conducts at least *once* a week, a more extended service for religious instruction and worship, in accordance with the design of the Founders, as expressed in the Constitution, (Arts. 11, 12, 16.)

Students belonging to the regular classes of the Institute, are exercised frequently in *Declamation and Composition;* the male students alternating between the two exercises, the feminine being required only to write, and read their own essays.

DISCIPLINE, &c.

The supervision of the students by the Faculty and Trustees extends to their conduct not only during study, and recitation hours, but while on the street, and in public places; and includes visitations at the boarding houses, of such as are from abroad.

Keepers of boarding houses are expected to make report in regard to the habits and conduct of the students with them, as often and in such manner as desired by the President.

Rude and uncivil conduct on the street, profanity, obscenity, truancy, visiting of drinking saloons, intoxication, &c., are considered grave offences, exposing a student, after admonition, to suspension or expulsion.

Disorderly conduct in any part of the building, unnecessary noise in the halls, and on the stairways, defacing or otherwise abusing the walls and furniture, and wilful injury of the grounds and shrubbery, are in like manner, considered and treated as grave offences, to be punished with admonition or expulsion.

LIBRARY.

The Collegiate Institute Library contains about fifteen hundred volumes of choice literature, selected with special reference to the students, and is receiving constant additions. The students have access to the Library without expense.

APPARATUS AND CABINET.

The Philosophical Hall and Chemical Laboratory are furnished with ample apparatus, providing for the latest researches in Science, and a good beginning has been made of a collection of minerals.

LECTURES.

In addition to the regular studies of the course, frequent evening exercises are held in the elegant Lecture Room of the Institute—comprising musical and elocutionary performances, and a lecture by the President or one of the Professors. To these entertainments, the friends of the students are admitted by complimentary ticket.

BOARDING.

Boarding is provided in private families under the supervision of the Trustees, at prices varying from $3.50 to $5 per week.

APPLICATIONS.

New students may apply for examination at the College office on Friday, June 16th, at 9 A. M., and on Saturday, September 2nd, and Monday, September 4th, at the same hour.

As the number of students is limited, at present, to one hundred and twenty, disappointment may be prevented by early application.

APPOINTMENTS.

The closing religious exercises of the College will be held on Wednesday, June 14th, at 3 P. M. To these services the parents and friends of the students are invited.

The Commencement of the current year will be held on June 15th.—In the evening the students of the Graduating Class will deliver their orations and essays and the Diplomas will be conferred. In the afternoon an address will be delivered by Rev. J. T. Duryea, D. D., of Brooklyn.

On Friday evening, June 16th, the Phi Sigma (Literary) Society will hold its annual closing exercises and soiree, for invited guests.

DESIGN AND AIM.

It is designed that the Institute shall be, in all its Teachers and Studies pervaded with a distinctive and earnest Christian spirit, and that everything shall tend to the development of the highest moral and spiritual welfare of the pupils.

In discipline, constant appeal is made to the conscience of the student. He is taught to submit to every ordinance of man for the Lord's sake.—(1 Peter 2: 13.)

MATERIAL FACILITIES.

The building in all its features and appliances cannot be surpassed.—Philosophical and Chemical Apparatus, Surveying Instruments, an ample Library, the best of Musical Instruments, &c., &c., are already provided, and everything will be added from time to time which experience and the most intelligent judgment may suggest as desirable.

SCHOLARSHIPS.

Among the endowments of the College is a fund of $10,000, called "The Coleman Scholarship Fund," the interest of which is to furnish aid to such candidates for the ministry as may be recommended by the Presbytery of Westminster, and approved by the Board of Trustees and Faculty. Particulars concerning these scholarships may be learned by applying to the President.
